Report of Principal and School Improvement Council

Waterloo Elementary is a Title I school in Laurens School District 55 that is located approximately seven miles from downtown Laurens. The learning community at Waterloo is committed to providing all students with the education they need to be successful in life. Student learning and success is the foundation for all activities and programs at Waterloo Elementary. Students are exposed to rich, interesting lessons on a daily basis. Students have the opportunity to participate in math/science night, literacy night, family fun night, fall festival, career expo, student success night, spring dances, and archery competitions at the local and state levels. Students are celebrated for their achievements frequently through MAP growth/achievement parties, a PASS pep rally, and our annual Awards Day program. Due to this focus on achievement, Waterloo has had the privilege of receiving Palmetto Gold and Silver Awards for Closing the Gap and Student Achievement in 2009-10, 2010-11, and 2011-12. Waterloo Elementary is committed to serving the whole child. Therefore, students attend computer, media center, art, music, physical education, and guidance classes. Providing these classes for students allow them the opportunity to obtain the skills they will need to compete in the multi-media age in which we live. The faculty and staff believe that school is a place for not only student learning, but also adult learning. Teachers engage in collaborative planning sessions weekly with our instructional coach and administrative staff to ensure they are delivering age appropriate, standards-based lessons. In addition, teachers attend numerous professional development sessions after school as well as early release days during the school year to enhance their instructional knowledge and skills across content areas. Building a strong home/school connection is essential to the growth of our young learners. Therefore, we invite parents to visit and participate in our school activities. Monthly activities are provided at varying times throughout year to ensure that parents have the opportunity to involve themselves in their child's education. Waterloo Elementary is thrilled about our progress! We look forward to making greater strides in student growth and achievement.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
